January 2026 Wrap-Up

SOLS foundation

SOLS Soiar academy

Solar Academy

A **12-month scholarship** for B40 youth, prioritising Orang Asli and Orang Asal (Indigenous) candidates. The scholarship covers training, meals, accommodation & apprenticeship. Qualified graduates are **guaranteed full-time jobs** as Solar PV Installers, with starting salaries of RM1,700 - RM1,800.

Future-Proof with AI

We launched an initiative in **collaboration with CIMB Foundation** that equips **youth from low socioeconomic status** communities with essential **AI, digital, and career-readiness skills** through in-person & online training.

More updates to come in February!

Energy & Education Access

There were no installations or workshops in January.

This is usually our planning month, where we plan the logistics of our upcoming installations.
